## No Parking Along Emergency Vehicular Access 緊急車輛通道嚴禁泊車

### DETAILS 詳情:

Please be reminded that **the estate road outside each tower is an Emergency Vehicular Access (EVA) and no parking is permitted.** In order to avoid traffic congestion and obstruction in case of an emergency, Service Centre will closely monitor the situation and shall enforce vehicle impounding for unauthorized parking. **An impounding fee of HK\$320 will be required to pay for release of vehicles from clamps.**

Your co-operation to maintain a clear and safe driving environment is much appreciated.

謹提醒各住戶，各座大堂外車路為「緊急車輛通道」，並不容許車輛停泊。為避免阻塞通道及於緊急情況下做成任何阻礙，服務中心將嚴格監控違泊情況，並可能會扣鎖違泊車輛。被扣押之車輛使用者需繳付 320 港元的開鎖費。

感謝各住戶協助保持車道安全及暢通！

**Above vehicle has been impounded and charged the impounding fee**

**圖中車輛已被扣鎖，繳付開鎖費後得以放行**
